

# JéGO Energy for Elbe Pharma

\* —Sunshine coefficient: 5 hours/day

S/N	Location	Model	Parameters		Qty	EXW Total Price (USD):	Product Images
5	Head Warehouse Close Workshop Office <div>30KW-61.44KWh (With Solar Panel)</div>	SUN-30K-SGO1HP3-EU-BM3	<div><div><div>• Rated output power: 30kw</div><div>• Rated Input/Output Voltage/Range (V): 220/380, 230/400V, 0.85Un-1.1Un</div><div>• Max.PV Input Power: 65kW</div><div>• MPPT Voltage Range (V): 150-850V</div><div>• MPPT Efficiency: &gt;99%</div><div>• Grid Connection Form: 3L+N+PE</div><div>• Communication Interface: RS485/RS232/CAN</div><div>• Monitor Mode: GPRS/WIFI/Bluetooth/4G/LAN (optional)</div><div>• Noise (dB): &lt;65</div><div>• Ingress Protection (IP) Rating: IP65</div><div>• Cabinet Size (W*H*D mm): 527*894*294 (Excluding Connectors and Brackets)</div><div>• Weight (kg): 80kg</div><div>• 1. 100% unbalanced output, each phase</div><div>• 2. AC couple to retrofit existing solar system</div><div>• 3. Max. 10 pcs parallel for on-grid and off-grid operation, Support multiple batteries parallel</div><div>• 4. Max. charging/discharging current of 100A</div><div>• 5. High voltage battery, higher efficiency</div><div>• 6. 6 time periods for battery charging/discharging</div><div>• 7. Support storing energy from diesel generator</div></div></div>		1 Set	\$19,931.00	
		GR-510	<div>High voltage control box</div> <div>Battery Cell: Grade A</div> <div>Service life: 6000+ times,10+ years</div> <div>Type: Energy storage battery</div> <div>Energy: 51.2V/200Ah/10.24Kwh</div> <div>Chemistry Type: LiFePO4 Battery</div> <div>State of charge: maintenance-free</div> <div>Dimension/weight: 600*600*200mm,84kg</div> <div>Note: Lithium iron phosphate battery pack BMS control integrated high- voltage box, Internal communication CAN/external communication CAN- RS485 communication mode: WIFI withremote monitoring</div>		6 Pcs		 
		Solar Panel	<div>590W Solar Panel</div> <div><div>• Module Type: MONO</div><div>• Maximum Power at STC(Pmax):580wp</div><div>• Maximum PowerVoltage (vmp):43.6V</div><div>• Max Power Current(Imp):13.53A</div><div>• Open-circuit Voltage(Vac):51.88V</div><div>• Short-circuit Currentt(Isc):14.48A</div><div>• Module Efficiency (%):22.83%</div><div>• Backsheet: white</div><div>• J-BOX:IP68,3 diodes</div><div>• Connector:MC4</div><div>• 12 Years Product warranty</div><div>• 25 Years Linear performance warranty</div></div>		60 Pcs		
		Solar Bracket, Wire, Wire Conduit, Grounding	Customer Provided	According to the on-site situation, local purchases are not wasteful.			

**Notes**

1.Price for goods validity time: 30 days, Quote term: EXW

2.Payment term: 50% deposit, 50% balance paid before shipment.

3.Lead time: 50 working days after deposit.

4.Warranty time: Battery 5 years, Inverter 5 years

5.Quote date: 2024/11/14
