## Front Collision Warning (FCW)

Stay alert with FCW, a watchful eye on the road ahead.

## Automatic Emergency Braking (AEB)

AEB steps in when you can't, automatically braking to help avoid collisions.

## Lane Departure Warning (LDW)

LDW gently nudges you back on track if you drift from your lane.

## Adaptive Cruise Control (ACC)

Relax and enjoy the drive with ACC, which maintains a safe distance to the car ahead.

## Traffic Jam Assist (TJA)

TJA handles the stop-and-go of traffic jams, reducing driver fatigue.

## Intelligent High Beam Control (IHBC)

IHBC automatically adjusts your headlights for optimal visibility and courtesy to others.

## Traffic Sign Recognition (TSR)

Never miss a speed limit again. TSR keeps you informed of important road signs.

## Blind Spot Monitor Assist (ICA)

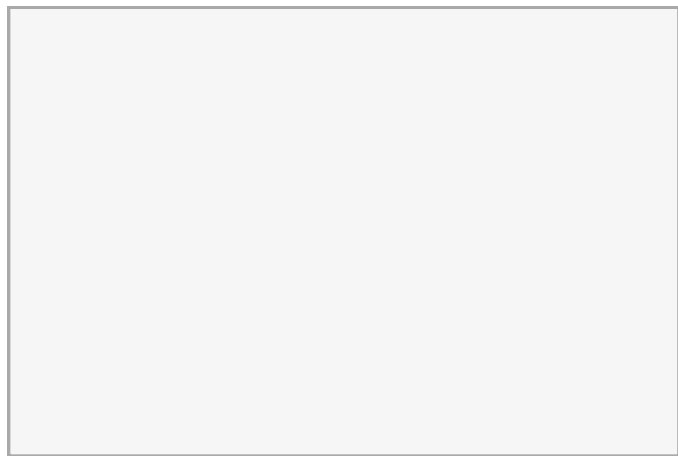

ICA warns you of vehicles in your blind spot, helping you change lanes with confidence.
