

JéGO Summit Agenda

Date: December 9th, 2024

Time: 4:00 PM - 6:00 PM EST

Location: Online (Internal - Employees, Investors, and Advisors Only)

JéGO Town Hall Schedule

4:00 PM – 4:10 PM: Welcome and Opening Remarks

Speaker: Frederick

- *Talking Points:*
- Introduce the summit’s theme: “**Shaping the Future of Energy and Mobility with JéGO AI.**”
- Reinforce JéGO’s commitment to sustainable energy and mobility solutions driven by African Intelligence.
- Provide a brief overview of JéGO’s achievements in 2024.
- Highlight the vision of integrating clean energy, mobility, and self-driving AI to empower communities.

4:10 PM – 4:30 PM: Keynote Presentation by Frederick

Speakers: Frederick & Kaside

Topic: “JéGO AI: African Intelligence Powering Energy and Mobility”

- *Talking Points:*
- Explain JéGO AI as“ African Intelligence” and its role in solving challenges in Africa and globally.
- Discuss the integration of energy optimization and self-driving technology to address local infrastructure gaps.
- Share the vision of empowering communities with localized, scalable solutions that promote sustainability.
- Provide examples of how JéGO AI optimizes energy consumption and enables low-speed autonomous mobility.

JéGO Town Hall Schedule

4:30 PM – 5:00 PM: Panel Discussion

Moderator: Lorrancia

Panelists: Frederick, Oswald Osaretin Guobadia

Topic: “JéGO AI: African Intelligence Powering Energy and Mobility”

- Discuss how JéGO PowerPods and X Stations are transforming energy access in Africa.
- Explore the economic impact of self-driving mobility solutions in low-traffic, community-focused areas.
- Highlight future opportunities for partnerships and scaling JéGO innovations globally.
- Engage with participants to share ideas and questions about JéGO’s roadmap.

5:00 PM – 5:20 PM: Innovation Showcase

Led By: Product Team

Format: Slides and Video Presentation

- Talking Points:
 1. JéGO PowerPods:
 - Real-time energy consumption tracking.
 - Modular design for scalability and diverse use cases.
 2. JéGO X Stations:
 - Reducing reliance on fossil fuels through clean energy hubs.
 - Enabling community-driven clean energy adoption.
 3. Self-Driving Mobility Solutions:
 - Updates on JéGO’s low-speed autonomous vehicles.
 - Plans for expanded deployments in rural and urban areas.

JéGO Town Hall Schedule

5:20 PM - 5:40 PM: Collaborative Workshop

Topic: “Collaborating to Scale JéGO Innovations in 2024”

Led By: Matthew

- *Talking Points:*
- Encourage open discussion on scaling JéGO solutions across regions.

Address immediate priorities such as:

- Expanding JéGO X stations.
- Refining AI for energy optimization.
- Strengthening global partnerships.
- Capture actionable insights from participants to shape the 2024 roadmap.

5:40 PM - 6:00 PM: Closing Session

Speakers: Leye and Lorrancia

Talking Points:

Recap key take aways from the summit presentations and discussions.

Highlight JéGO’s roadmap for the upcoming year, focusing on actionable next steps.

Share a teaser of upcoming product launches and future innovations.

Final remarks and appreciation by Frederick or an invited advisor/investor.
